### **Prof. Gregory O'Brien, bivši potpredsjednik CHEA-e**

*„What a wonderful nation! Beautiful, historic, friendly and forward looking! It was indeed an honor and a pleasure to work with you and your colleagues at AZVO, as well as to meet so many dedicated faculty members and institutional leaders of Croatia's institutions of higher learning.*

*Your leadership both for your team and for your country's rektors and higher education leaders is clearly evident and highly successful. Country building, in education or any other enterprise, is always a challenge. Your approach which is realistic, encouraging and of high standard is what will make that effort continue to succeed...*

*... I have written to Judith Eaton about how exciting the work of your agency is. I sincerely hope that you will continue to be involved with CHEA and its international activities. Each member of your team is a skilled professional with energy and dedication to you and your vision for higher education in Croatia. “*

### **Prof. Ellen Hazelkorn, Dublin Institute of Technology**

*“Thank you very much for your kind invitation to come to Dubrovnik – a beautiful city in a beautiful country. If you are interested in issues of institutional QA processes, the Dublin Institute of Technology and Ireland has a long history in this area. DIT was one of the first HEIs in Ireland to have a comprehensive QA procedure. These have recently been updated and I attach them here for your information:*
