

# The Hebrew University of Jerusalem

The Robert H. Smith Faculty of Agriculture, Food & Environment  
Division for International Studies

October 15, 2014

***Dear Friends,***

The Division for International Studies at the Hebrew University of Jerusalem's Robert H. Smith Faculty of Agriculture, Food & Environment is pleased to announce the start of the application period on **November 1, 2014** for the **2015-16 International M.Sc. Programs** taught in English.

## ***M.Sc. in Nutrition*** ***M.Sc. in Animal Sciences***

Enclosed please find a poster about the program. We would appreciate your assistance in identifying suitable ***candidates*** for the programs.

A number of ***scholarships*** are available for qualified applicants. The scholarships include tuition, housing and a monthly allowance. The financial package makes participation in the program accessible for many.

The Division for International Studies has been offering international programs taught in English since 1988. More than 2,300 participants from over 120 countries have attended our postgraduate courses and graduate programs.

**For more information about the International M.Sc. programs, please visit  
our website:**
