

MAReN
2nd Consortium Meeting

France Éducation International
[1 avenue Léon Journault](#), Sèvres
30th – 31st January 2024

Objectives of the meeting

- Update on the state of art of project deliverables
- Discussion of the e-learning platform
- Design of the training course for HEIs
- Update on the strategic management of the project

Preparatory note

The second Consortium Meeting of the MAReN project is aimed at presenting the state of art of project activities and at discussing the development of the next project activities linked to the different work packages, namely the training for ENIC-NARICs and HEIs. Project transversal activities, namely management and dissemination, will be also discussed during the meeting.

All partners will be actively involved in the consortium meeting activities.
