## Goal

The goal of the meeting is to:

- Kick off the project and get to know the consortium experts;
- Create a common understanding of the project goals;
- Discuss the outcomes of the desk research and find agreement on the blueprints, which describe the next steps forward in the project.

## Preparation

In preparation of the meeting please:

### 1. Promotion Spotlight self-assessment tool

- Review the Spotlight self-assessment tool: [Publications \(eua.eu\)](https://publications.eua.eu/);
- Reflect on elements that would support implementation of the tool in European higher education institutions;

## **2. Recognition of study periods in upper secondary education**

- Identify good practice in recognizing study periods in upper secondary education in line with the 2018 Council, in your country and beyond;
- Review the I-Comply guidelines for mapping national recognition infrastructures. If possible, conduct the exercise before the meeting. See annex 2 of this report: [Towards legal & practical compliance with the LRC \(nuffic.nl\)](#)

## **3. Micro credential evaluator**

- Familiarize yourself with the micro-credential evaluator: [The Micro-Evaluator | Nuffic](#);
- Share the latest resources on (automatic) recognition of micro-credentials since the publication of the app by 2 October;

## **4. EHEA qualifications update and report on AR**

- Review the draft EHEA qualifications table and complete the survey: <https://www.surveymonkey.com/r/2M2B7YD>;
- Review the concept blueprint (to be circulated).

## **5 - Update EAR HEI manual**

- Review the latest version of the EAR HEI manual and the new EAR manual;
- Provide suggestions for update of the content and the layout.
